**EDMONTON, Alberta - Jan. 27, 2022 - [PRLog](#)** -- Maiden Manzanal-Frank, a global impact expert from Alberta, Canada offers ASK ME NOW@ LIVE question and answer sessions on business strategy, change, leadership, and impact issues besetting North American purpose-driven organizations today starting 23 February to June 2022. This 30-minute conversation includes action-able ideas and insights executives can quickly use to thrive in the post-pandemic economic environment and plenty of time for questions.

Most on-purpose organizations suffer from economic hardships and leadership instability in isolation during this crisis. A plethora of information on the pandemic and business resources focused on pandemic adjustment but not necessarily on strategic redirection and agility.

GlobalStakes Consulting provides outstanding results in innovation, impact, and sustainability for purpose-centered organizations such as social enterprises, non-profits, and international organizations not just in Canada but internationally as well. In Canada, they operate in Alberta and BC respectively.
